2. Students : 57

An awareness cum plantation programme on the eve of Earth Day was held on 22nd of April, 2021 at New Flyover, Kokrajhar. The programme was conducted by Kokrajhar Govt. College. The aim and objectives of this programme was to create awareness about the importance of flora and fauna and its preservation.

The programme was initiated by Dr. Banabina Brahma, Principal, Kokrajhar Govt. College by planting a sapling in the road leading towards the New Flyover, Kokrajhar. Mr. Dananjay Narzary, Asst. Professor, Department of Botany delivered an enlightening lecture on the preservation of the environment keeping in mind the health of the earth for future generations. Dr. Sibubasak, Vice Principal, Kokrajhar Govt. College also narrated a few incidences of the deteriorating condition of the environment and its adverse effect on human beings. Mr. Premjit Basumatary, Head of Department, Geography gave his valuable insights on climate change and compared the conditions decade ago and what might be in future. Later the students along with faculty present planted 100 saplings on both the sides of the road leading towards the New Flyover, Kokrajhar and pledged to protect and maintain it and continue the plantation programmes in new future. The NCC, NSS, Bharat Scouts & Guides along with the Kokrajhar Govt. College Students Union with host of students participated in the programme.
