## Student Exchange Program Invitation Letter

Dear Madam,

The Buddhist Research Institute of Mahachulalongkornrajavidyalaya University, Thailand would like to inform you that we are initiating the first International Student Exchange Program (ISEP) in the current academic year 2018. The ISEP aims to provide international students with an array of learning opportunities and exposes them to Buddhist Education, Culture and Research. This year we would like to host two students from Bodoland, Assam. Therefore, we would like to invite you to support our commitment to develop the future of international students and take part in the Student Exchange Program by sending two students from your college for a period of maximum ten days, starting from 27 July to 5 August 2018. The round-trip tickets of the students, their accommodation, local transportation and social events during their stay in Thailand will be taken care of by the Buddhist Research Institute.

However, the students are required to arrange for their short-stay Visa-on-Arrival on their own. We will meet the students when they arrive and arrange their transport to the host temple and the university. Should you have any queries, please feel free to contact me at this email or call me on the number below.

Thank you and I look forward to your reply.

Kind regards,

Assoc. Prof. Dr. Phramaha Suthit Aphakaro  
Director, Buddhist Research Institute
