Kokrajar Govt. College

Programme Outcomes

BA / BSc ECONOMICS (UG)

**Programme Outcome (PO) UG**

Understand the fundamental basic concepts of economics and the dynamic working of different economies of the world. The course is tailor-made for young aspirants in the domain of economics by drawing rich academic inputs from contemporary syllabus reflecting recent developments. Besides, the under-graduate economics programmes help students to establish an in-depth understanding of the functioning of domestic and global economies and to develop the necessary and portable skills to perform economic analysis for both public and private sector positions as well as for graduate studies in related fields. The graduate students also possess knowledge about a special bond between environment economy and sustainable development.

The Methods of measuring attainment of POs, PSOs are as follows-

1. Home Assignment, Class Test, Quiz,
2. Continuous evaluation through periodic Unit Test
3. Students Seminar, Workshop, Field Work
4. Invited Lectures by the Eminent Teachers
