

Report on
Workshop on “Object Linking and Embedding into Presentation Slides”
Organised by: Department of Computer Science
Kokrajhar Govt. College,
Kokrajhar

Event: Workshop

Date: 03.04.2021

Time : 11:00 AM

Venue: Room No. OSG

Objective: To provide learners with hands on experience on linking and embedding objects into presentation slides.

Outcome: Learners would be able to create presentation slides with different objects placed and linked with other slides or files.

Workshop on “Object Linking and Embedding into Presentation Slides” was organized by the Department of Computer Science on 3rd April 2021. The workshop was inaugurated by Dr. Mamata Narzary and she gave emphasis on today’s world of technical dominance where such presentation slides have become important to rejuvenate the learners while presenting a topic. The resource person was Mr. Pranchis Narzaree, HoD, Computer Science, Kokrajhar Govt. College, Kokrajhar assisted by Mrs. Soma Dewanjee, Asstt. Professor, Dept. of Computer Science, Kokrajhar Govt. College, Kokrajhar. The resource person highlighted the use of linking presentation slides with another slides of the same file or other presentation files, using overhead projector. The learners were pre-notified to bring their laptops (if any) and accordingly they had hands on experience on how presentation slides are linked with other slides or files and objects are placed on the slides.

There were 44 participants who took part in the workshop. 6 participants were teachers (Male=2, Female=4) and 38 were students (Male=17, Female=21). The primary objective of the workshop was to provide the knowledge on creation of eye-catching presentation so that it rejuvenates the learning aptitude and influence the ambience of viewers.

Total Participation: 44

Total Female Participation: 25

Total Male Participation: 19
