

Report on
Industrial Visit to QWERTCORP
Organised by: Department of Computer Science
Kokrajhar Govt. College,
Kokrajhar

Event: Industrial Visit for final year students of the Department of Computer Science.

Date: 23.03.2021

Venue: QWERTCORP (Software Industry/Firm), Main Road, Kokrajhar

Objective: To get exposure on software development and have live interaction with software developers, programmers.

Outcome: Learners would be able to know more about various phases of software development and finalize 6th semester project report.

The industrial visit to a software firm "QWERTCORP" was organized by the Department of Computer Science on 23rd March 2021. The visit was headed by HoD, Computer Science, Pranchis Narzaree, Kokrajhar Govt. College, Kokrajhar. The event was started with elaborating the need for visiting software firm/industry to enhance the knowledge of various stages of software development and to grasp the root of developing projects. The 5th semester students of the department of Computer Science actively took part and have live interactions with Director, Mr. Prabir Kumar Basumatary, Executive Director, Phungkha Brahma and Chief Developer, Lingdao Daimary, QWERTCORP, Kokrajhar. They enquire every pros and cons of development of software and its design. Ms. Rupali Khaklary, Asstt. Prof., Computer Sc and Ms. Soma Dewanjee, Asstt. Prof, Computer Sc., Kokrajhar Govt. College also helped the students in clarifying doubts as well. There were all together 03 Faculty members and 16 students who took part in the event. The main objective of the visit was to provide final year students with exposure to software development and make them aware of various contents of project report which would help them in finalizing their 6th semester project reports.

Total faculty Participation: 03

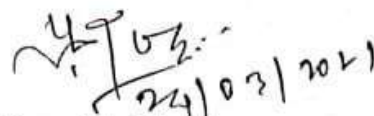

Total Student Participation: 16
