NOTICE
(IDC MOOC Examinations of FYUGP Semester-I)

In connection with the scheduled online examinations of IDC MOOC Papers announced by the SWAYAM authority for the students of FYUGP Semester-I (Arts and Science) commencing from 2nd November for different papers, it is to be notified to all concerned that offline examinations are also going to be conducted by the university on all the IDC MOOC Papers allowed by the university which were notified earlier by the university authority and will be held along with the non-MOOC papers during the end semester examinations.

As such, there are following three options for the students of FYUGP Semester-I students regarding appearing in the examinations on IDC MOOC Papers-

1. Students may appear in the online examinations conducted by the SWAYAM authority, the mark of which will be accepted by the university as the mark of that paper in the end semester examinations. Such students are not required to appear in the offline examinations to be conducted by the university in the concerned paper.
2. Instead of appearing in the online examinations commencing from 2nd November, students may appear in the offline examinations to be conducted by the university during the end semester examinations.
3. Students may appear in both modes of examinations, the online examination conducted by the SWAYAM and the offline examination conducted by the university. In such case the better score of the two will be considered as the mark scored by the student in the IDC MOOC Paper.

Students are asked to decide accordingly for the IDC MOOC Paper examinations.
