

# **PARENTS FEEDBACK ANALYSIS REPORT**

## **Academic Year- 2023-24**

### **Objective of Feedback:**

In each academic year, Parents-teachers' meetings are conducted to find out how satisfied parents are with the college's service. Parents are requested to fill out a feedback form so that the institution can learn more regarding many parameters that the college could improve. The institution cherishes parents' input and handles it with the utmost decency, consideration, value, and secrecy.

### **Process Adopted for Feedback:**

In each academic session parents are requested to complete a printed feedback form provided by college. Filling of feedback form by the parents is voluntary.

### **Design of Feedback:**

The feedback collected included rating of seven key aspects on a five point scale:

1. Excellent
2. Very good
3. Good
4. Fair
5. Bad

Areas assessed were:

1. Curricular
2. Infrastructure
3. Fee structure
4. Teacher-Student relation
5. Non-teaching staff-student relation
6. Extra-curricular activity
7. Financial aid

Suggestions/comments, if any are also requested from parents.

### **Analysis of Feedback:**

After sorting the grading, suggestions, and comments the opinions received for each parameter are calculated as a percentage of the total number of responses received for that parameter, with the proportion shown in bracket. Additionally, a percentage of the overall rating average is calculated for every academic session.

### **Feedback Analysis Report:**

It is found that all the parameters were rated highly by the parents. Overall average of the parent's feedback was excellent (about 54%) on curricular aspect. 27% felt it was very good and about 17% felt as good and 2% reported it as fair. 77% Parents have provided Excellent feedback rating for fee structure adopted by the college. 42% Parents found college infrastructure adequate and rated very good. Regarding Teacher-Student relation (45%) parents rated excellent. For parameters like extra-

curricular activity (55%) and financial aid (48%) parents rated very good.

**Suggestions of Parents:**

1. At least two sessional examinations be conducted
2. Library timing be extended
3. Physical activities be added to the curriculum.
4. Toilet facility is not adequate

**Feedback Outcome:**

Feedback response from the parents indicated on an average high satisfaction rating to satisfaction on different parameters. Based on parents feedback/suggestions college has taken action on different parameters. Largely the concern reflected by the parents was infrastructure of the college, some comments were also made on number of classroom- lab as well as digitalization of classroom. On analyzing the feedback received, over the course of time by the parents, it is observed that parents are satisfied by the efforts made by the college administration in curricular, teacher-students relation, discipline, cleanliness and other related matters and high degree of satisfaction has been shown by the parents on implementations of some of their suggestion through their comments.
